Description [\(revised\)](#)

Item Description

This auction features one copy of Comic Book Buyers Guide #1577 dated 2/6/04. This issue grades a NM- (9.2). Click on the thumbnail images to download large, high resolution pictures.

As a bonus I'll throw in a copy of Batman: The Dark Kight Returns #3 CGC graded 9.2 for free!

This issues cover story focuses on the dangers of private feedback Ebay auctions. There is an additional article exposing a convicted sports memorabilia forger that regularly sells restored comics on Ebay while hiding behind private feedback.

Bidding & Payment Terms

In order to dissuade the "Thrill/Joy-Bidders" that are generally attracted to auctions of this nature I've got a few rules for bidders.

1. If you are a seller that **keyword spams your auction titles with "CGC"** when your comics are **not** CGC graded then move along, you're not welcome here.

- If you are a seller that **profiteers on shipping** charges then go jump off a bridge.
- If you're a seller that **wont ship to Canada** then don't bother bidding, I'll cancel your bid. (That ones for you JC).
- And most importantly, if you are a known **comic book restorer and convicted felon that sells uncertified, restored, high grade comics as unrestored** then don't bother bidding.

I reserve the right to cancel bids from any bidder for any reason.

Payment will be accepted in US funds via Paypal confirmed accounts with confirmed address, money orders or personal check (if you don't mind waiting the two weeks it takes to clear).

Shipping Terms

Shipping inside the continental US will be \$5.00 via USPS Priority Mail. If you live outside the US please contact me before bidding for shipping charges. I take pride in the way I pack comics in order to ensure that they arrive in the same condition described here, however insurance is a good idea (optional) and that's an extra \$1.30 for up to \$50 and \$2.20 for up to \$100 and \$3.20 for up to \$200.

The above payment, shipping and bidding terms are non-negotiable *after the auction has ended*. If you would like to discuss an exception to these terms, or require more information (larger scans, more description, etc....), please contact me *before* you place a bid. Thanks and good luck!

CGC: No such thing as Eastern Color file copies

The Eastern Color Printing Company (ECPC) has been a major force in the production of comic books for decades. However, the company's records are incomplete, and many copies of its titles are missing or damaged. This has led to a significant gap in the comic book collecting community's knowledge of the company's output.

CGC (Comic Guaranty Company) has been instrumental in identifying and grading these missing titles. Through their extensive database and expertise, they have helped collectors identify titles that were previously thought to be lost or nonexistent. This has provided a much-needed link to the past for many collectors.

It is important to note that not all titles listed by CGC are necessarily "Eastern Color" titles. Some titles may have been published by other companies but are being graded by CGC. Therefore, it is crucial to verify the publisher information for each title.

CGC's services are highly valued by collectors and dealers alike. Their accurate grading and identification of titles have helped to establish the market value of these books and provided a level of security for collectors. As the comic book market continues to grow, the importance of accurate grading and identification will only increase.

If the item has received a bid or ends within 12 hours, the seller can only:
